On 18 June 2021, I
Cory B. walked in the
room and grabbed a metal
drag into the kitchen
and thumped his head on
the floor and beat him with
my fist and he went into
cardiac arrest and I tried to
perform CPR. Then he did
not respond. Then I went upstairs
with God and put him into the
tub. Then I put him up to see
if he would respond. He did
not so I held him and prayed
to God that he bring my baby
back. Then I took him in
the room and layed him
in the bed. Then I went
to the car and got a flash-
light and charged it. I then
took it to the gas station
got gas. Then I went
to the store and got snacks.

car wash and put the car in

put coal in the fridge. Then
I put coal in the car again
and drove him to the 501 and
dug a hole by the tree and
buried him. Then went home
and prayed for forgiveness.
Then went to my bedroom
the next day and I went
to the hospital and I dumped
my clothes from the crime
in the trash and burned them.
Then the next day I went
back to work. Got my car
up some from the office.
Then I went home and
took a bath with 12 pieces
except my underwear.
